

Hi 2026 Convention Campers!

Mary Townsend-Manning has done an excellent job reviewing most of the available campgrounds and RV parks near St. George, UT, the site for our 50th ICBDA convention July 8-11, 2026. (Tuesday, July 7, will likely start off our convention with a trail-in dance that evening.)

If you are planning on camping for our dance convention, I am **highly recommending** the first on the list, McArthur's Temple View RV Resort. With a Good Sam Club 10% discount, it should cost in the \$50-\$55 range. Sarah, who works there, tells me they probably will not be full, they do not have any kind of a 10 year old RV rule, they nice features (pool, spa, laundry...) and reviews on various RV sites say the staff is really friendly.

And, it is only 5 minutes away!

I am including the rest of her list just to be complete; some are looking with other ideas.

As the time grows closer, I will try to arrange some special reasons to stay at McArthur's.

Joe and Debbie Krivan
