Tulsa is the 2nd largest city in Oklahoma and 47th-most populous city in the United States and was settled in 1838 by a Native American tribe moving west and soon went from Indian Territory to Oil boomtown. The Creek Indians called the new village "Tallasi" or "Tulasi" which means "old town" in Creek Language. The same word is the origin of the name of Tallahassee in Florida. Tulsa is deeply rooted in the arts and culture. The "Mother Road" Route 66 runs thru Tulsa (11th Street). Join us and enjoy 3 ½ days of education, dancing and fellowship – renewing friendships and making new ones with people from around the world. Dancers and non-ROUNDALAB members are welcome and invited.
